Standup Assist Bar with Paddle Keeper for Feelfree Lure and Moken Models

Weight: 2.5 kg
254,90 €* 254,90 €

Feelfree Stand Up Assist Bar

The Feelfree Stand Assist Bar installs easily on the Feelfree Lure 10/11.5/13 and Moken 12.5/14 models! The Stand Assist Bar features adjustable height position, padded lean area, paddle keeper and an extra strong Uni-Track nut attachment. Bar may be deployed flat for transport then quickly raised and attached to the Uni-Track rails for bombproof standing assistance. Constructed of lightweight yet strong materials, the Stand Assist Bar will withstand years on the water. Give yourself the extra support you need when fighting that big one, or simply use to make standing easier.

- gives additional support when casting and sight fishing
- moves on slide gadget to change height
- simple installation and all hardware is included
- paddle keeper is included and many more holders are available
