The Illex Tricoroll 55 S lure: an innovative classic for trout anglers

The Illex Tricoroll 55 S lure is an outstanding masterpiece that has taken the hearts of trout anglers by storm. This small minnow is specially designed for trout fishing in rivers and offers a unique combination of precision, performance and style. With its ultra-realistic finish and perfectly balanced body, the Tricoroll 55 S is a classic in the field of ultra-light lures.

Features:

- **Ultra-realistic finish:** each Tricoroll 55 S lure features an ultra-realistic finish that will win over even the most wary trout.
- **Perfectly balanced body:** The body of the lure is perfectly balanced and remains stable even in fast-flowing waters.
- **Rolling Action:** The unique rolling action of the lure is deadly effective and seduces target fish with the slightest tug.
- **Easy handling:** The Tricoroll 55 S is easy to jig and twitch, making it an extremely versatile lure.
- **Owner treble hooks:** Equipped with high-quality Owner treble hooks for maximum durability and catching power.

Specifications:

The hardbait is 5.5 cm long, weighs 3.5g and has a sinking behaviour. Its swimming depth is 0.5 - 0.8 metres. The Tricoroll 55 S is ideal for perch, trout and asp.

Discover the innovation in trout fishing and take your catch to the next level with the Illex Tricoroll 55 S lure!
