Optimisation of the Dynamite Baits Fluro Pop Ups for carp fishing, bream fishing and tench fishing

First-class buoyancy and visibility for ronnie and chod rigs

The **Dynamite Baits Fluro Pop Ups** are specially designed for the demanding techniques of carp fishing, such as ronnie and chod rigs. These pop-ups are characterised by their excellent buoyancy and bright visibility, making them a must-have for fishing for carp, bream and tench.

A variety of flavours for every fishing method

Each lure in this range combines intense flavours with essential oils to ensure maximum attraction underwater. Whether Pineapple & Banana, Mulberry Florentine, Tutti-Frutti or Squid & Octopus - these flavours cover a broad spectrum for different fishing methods.

Customisable sizes for every body of water

Available in 12mm and 15mm, the **Dynamite Baits Fluro Pop-Ups** offer flexibility for different water types and fishing conditions. This size selection is crucial to effectively adapt your fishing strategy to the preferences of the target species.

Additional product information

- **Ingredients:** Each Fluro Pop-Up is made from high quality ingredients to ensure consistency and effectiveness.
- **Durability:** These baits are long-lasting and retain their attractiveness even under difficult conditions.
- **Processing:** Each bait is carefully processed to ensure optimum performance and quality.

Your advantage in the fishing adventure

The Dynamite Baits Fluro Pop-Ups are not only an exceptional lure, but also an investment in your fishing adventure. These lures are perfect for different fishing styles and techniques and offer an irresistible attraction to a variety of fish species.
