

Rapala Screw Driver System SDS Weights

Rapala

Product number: RA-SDS

Customisable weight system for lures: Rapala Screw Driver System - swimming depth adjustment with a flick of the wrist.

from 7,69 €* 7,69 €

Rapala Screw Driver System - Customisable weight system for SDS Rapala lures

Change the swimming depth with a simple twist of the wrist - literally. With the **Rapala Screw Driver System (SDS)** you can adjust the swimming depth of your lure, which is compatible with the Screw Driver System (SDS), to directly reach the water layer where the predators are. The user-friendly tungsten weights of the SDS, also known as **weight screws**, are screwed onto the bait by hand and offer the opportunity to precisely search your fishing areas.

Available versions:

- 5&7,5g
- 10&15g

The latest **Rapala Lures** are all compatible with and can be used with the **Rapala Screw Driver System (SDS)** weight system.

Optimise your fishing equipment today with the Rapala Screw Driver System. Buy now and experience the revolution in lure design!
