Jenzi

Product number: JE-NB8X

Jenzi Neon Braid 8x: Braided fishing line for spin anglers with an ultra-smooth surface and striking neon colour.

from 34,09 €* 34,09 €

Jenzi Neon Braid 8x fishing line - The ultimate choice for spin anglers

NEON-Braid 8x is a high-quality braided fishing line from Jenzi, specially developed for demanding spin fishermen. With its 8-plait braiding, it offers outstanding features for various fishing techniques. It is particularly suitable for predator fishing and in thin diameters is ideal for ultra-light and finesse fishing.

The line is characterised by its ultra-smooth and soft surface, which enables almost noiseless handling. This is crucial for remaining inconspicuous even with sensitive fish. The bright neon colour ensures that the line is highly visible both to the angler and underwater, which significantly improves precision and control when fishing.

Perfect your fishing set-up with the Jenzi Neon Braid 8x and experience the latest innovation in braided fishing line technology.
