Bullseye Tip Whip Spinning Rod 2.15m 6-26g: Your Drop Shot Fishing Specialist

The **Bullseye Tip Whip spinning rod** is a true masterpiece for modern active fishing, specially designed for drop shot techniques. With a length of 2.15m and a casting weight of 6-26g, it is ideal for bank and boat fishing on lakes and streams.

High quality components for precise fishing

- **Super slim Lotus-Woven-Composite -36 Ton Blank:** For optimum sensitivity and power.
- **7+1 Fuji Titanium SIC K-Guides and Fuji TSV reel seat:** Guarantees precise line guidance and long-lasting use.
- **Seamless EVA handle:** Provides comfort and perfect control.
- **Unique action:** Enables a natural lure presentation that makes even the most cautious bites noticeable.

Ultra-light and perfectly balanced design.

- **Weight of only 94g:** Makes this spinning rod one of the lightest models on the market.
- **Perfect balance without extra weight:** For fatigue-free fishing over longer periods.

Experience the unmatched quality and functionality of the **Bullseye spinning rod** and let the **Tip Whip fishing rod** take you to a new level of fishing. Whether Drop Shot, Texas or Carolina Rig - with the **Bullseye Drop Shot rod** you are perfectly equipped for any fishing technique.
