Delphin Flayka fly rod - elegance and precision for fly fishermen

Experience the fascination of fly fishing with the **Delphin Flayka fly rod**. This rod is the perfect choice for anglers who want to master the "royal" discipline of fly fishing. The Delphin Flayka series offers a variety of popular and universal weights and combines elegant design with outstanding functionality.

Features of the Delphin Flayka fly rod

- **Parabolic action:** The rod has a pleasant parabolic action that guarantees an excellent casting and drilling experience.
- **Elegant blank:** The thin, green blank radiates elegance and ensures optimum performance.
- **High-quality guide eyes:** The two-track guide eyelet is filled with ceramic, while the other eyelets are snake-like and silver in colour.
- **Easy assembly:** Every part of the blank is marked for quick and easy assembly so that the rod is perfectly aligned.
- **Exclusive handle:** The handle (half wells) made of high-quality Portuguese cork is decorated with an artificial fly, which adds a touch of exclusivity.
- **Lightweight reel seat:** The aluminium reel seat ensures stability and lightness.
- **Protective tube:** The rod is supplied in a robust protective tube with shoulder strap, ensuring safe transport.

This fly rod is not just a tool, but a faithful companion for all your fishing adventures. It has been manufactured with the utmost care and precision to provide both beginners and experienced anglers with an unrivalled fishing experience. The combination of high-quality materials and sophisticated design makes the Delphin Flayka fly rod the first choice for discerning fly fishermen.

With the **Delphin Flayka fly fishing rod**, you are perfectly equipped to enjoy fly fishing to the full. Go for

quality and precision - go for Delphin Flayka.
