

## **Gunki Spinning Boat rod Squad S S 200H 10- 42g**

The increasingly popular fishing with the belly boat, kayak or paddle requires discretion when approaching and precision when launching promising spots. The Gunki Squad series is perfectly adapted to the needs of these techniques. From the length of the handle to the action, everything is just right for these rods. The area in front of the handle is reinforced with X-Wrap carbon tape for added power. Excellent price-performance ratio, equipped with anti-tangle SIC and micro guides.
