from 219,00 €* 219,00 €

The high modulus blank made of T800 Toray carbon impresses with sensitivity, lightness and a high recovery speed. The performance is rounded off by a high-quality Fuji Slim SiC ringing and a Fuji TVS, which increase the sensitivity and improve bite detection. With its exceptional carbon look and graphite colored components, the Nays One captivates with a timeless, simple and classy design. Each rod comes with a case, a rod glove and two rod straps.
