Zeck Fishing

Product number: ZK-ABC

High quality baitcasting rod for predator fishing.

from 99,95 €* 99,95 €

Experience the latest innovation in the world of spin fishing with the "Zeck All Black Cast Baitcast rod" - a tribute to the ever-growing trend of baitcaster fishing and at the same time a loyal companion for all enthusiastic anglers.

This rod combines the popular all-round characteristics of the All Black series with the unmistakable advantages of baitcaster fishing technology. Whether you are fishing for perch, zander or asp - the All Black Cast shows itself to be a versatile tool that can be used optimally in any situation.

With a length of 2.01 m and a casting weight of 7-21 g, the first variant offers a universal solution for perch anglers. It shines in techniques that require maximum control and precision. Whether you use medium twitchbaits or topwater lures like stickbaits and poppers, this rod makes fishing a real pleasure.

The second variant, also 2.01m long but with a casting weight of up to 28g, expands your options to include fishing with rubber fish, crankbaits or metal lures. This rod is a true all-rounder for the ambitious angler who fishes for perch, pike, asp and co.

The All Black Cast scores not only with versatility and performance, but also with quality and comfort. The rod blank is made from durable carbon fibre, while the handle is made from soft EVA material to ensure comfortable handling. With its Fuji EHKM-B brand removable hook holder, the rod offers additional comfort and safety. In addition, the rod is two-piece, which shortens the transport length and makes it much easier to take along on your fishing trips.

Discover the versatility and quality of the Zeck All Black Cast Baitcast rod and make it your constant companion on your fishing adventures. Its attractive price, combined with excellent performance and quality workmanship, makes it an essential piece of equipment for any angler. Get your All Black Cast today and experience what it means to fish with style and efficiency!
