Product number: VMC-AVM351355
7,40 €* 7,40 €

Experience top performance with the VMC Techset Trailer 7226TL hook

For an outstanding hook rate on your spinnerbait, buzzbait or chatter bait - you deserve the best. The VMC Techset Trailer hook is the pinnacle of innovation. With its Needle Sharp point, it is ultra-sharp and easy to use thanks to its Cross Over Cap. The customised silicone sock enables lightning-fast installation on any hook.

Technical parameters:

- Technical locking curve shape for fewer unhooked fish
- Black nickel coating for perfect discretion
- 2X reinforcement

Features:

- Made from high quality hi-carbon steel
- Pre-assembled sheath for immediate use

Available in the following versions:

- #1/0
- #2/0
