

NRS Gloves for boat and kayak Guide Gloves black

NRS

Product number: NRS-GDGL-BLCK

Half finger gloves for additional warmth on cooler days.

0,00 €* 0,00 €

NRS Guide Gloves offer blister protection, cushion and just the right amount of warmth for rowing and paddling in cool conditions. The open-finger design allows total dexterity for tying knots, tightening straps and other common on-the-water tasks.

- 1.5 mm neoprene provides both insulation and mobility. The ideal combination of warmth and dexterity.
- The neoprene palm provides cushioning and protects from blisters and calluses.
- Silicone pattern on the palms provides positive grip for increased control.
- The hook-and-loop wrist closure ensures a secure, easy fit.
- Pairing snaps on the wrists help keep the gloves together.
