## Railblaza Hexx: The ultimate heavy-duty rod holder for extreme fishing adventures

Discover the Railblaza Hexx heavy-duty rod holder - the ground-breaking solution for anglers looking for maximum strength and versatility. This exceptional boat rod holder sets new standards in terms of strength, durability and functionality.

### Why the Railblaza Hexx should be your first choice

The Railblaza Hexx rod holder is a masterpiece of engineering that can withstand even the most demanding tournament fishing conditions. With its robust construction of advanced, impact-resistant materials, it offers unrivalled stability.

### Key features of the Railblaza Hexx heavy duty rod holder

- Universally applicable for spinning reels, baitcasters and saltwater free-running reels
- Innovative, swivelling holder to prevent rod loss
- Rear locking mechanism reduces rod rotation with compatible rods
- Full 90° adjustability in horizontal and vertical direction
- Optimised access to the reel thanks to intelligent design
- Adjustable square teeth for a secure hold of the fishing rod

### Unrivalled durability for extreme applications

The Railblaza Hexx heavy duty rod holder has undergone a rigorous testing programme to withstand even

the toughest trolling conditions. Its ability to withstand the hardest knocks makes it the most reliable rod holder in the Railblaza range.

### **Flexibility meets precision**

Thanks to its full 90° adjustability in all directions, you can perfectly customise the Railblaza Hexx to your individual needs. This flexibility allows you to always fix your fishing rod in the optimum position, whether you are fishing from a kayak, boat or shore.

### **Versatile application options**

The Railblaza Hexx rod holder is ideal for different types of fishing and boat types. Whether trolling, deep-sea fishing or relaxed fishing from the bank - this fishing rod holder always offers you the support and flexibility you need.

### **RAILBLAZA Part Numbers:**

**11-4189-11** RAILBLAZA Hexx Heavy Duty Rod Holder

### **Delivery includes:**

1x HEXX-Base
