

# Gunki Mothra 90F Lure 9cm 12,5g Red Perch

Gunki

Product number: GU-64757

High quality wobbler for predator hunting.

Weight: 0.0125 kg  
10,95 €\* 10,95 €

The MOTHRA 90 F is discreet and has a slim silhouette. It reaches depths of up to 2.5m and can be cast very far thanks to its aerodynamics and weight-transfer system. To quickly search large areas, you should simply crank it in, like a crankbait. If you want to fish specific stands, jerks and twitches are recommended to make it dance in panic in front of the predators!
