## Illex Deep Diving Chubby 38F Lure 4,7g - Your best choice for perch fisher

The **Illex Deep Diving Chubby 38F lure** is the perfect addition to the very popular Chubby series. Thanks to its longer shovel, the **Illex Deep Diving Chubby** goes to depths of over 2 metres and seduces predators that are usually deeper on sunny days with a mix of wobbling and rolling.

### Product features

- **Suitable for freshwater:** Perfect for use in rivers and lakes.
- **Target fish:** Perch, chub, barbel, asp, pike, catfish, trout - the Illex lure covers a wide range of target fish.
- **Length:** 3,8 cm - Compact size for precise fishing.
- **Weight:** 4,7 g - Ideal for long casts and precise control.
- **Swimming behaviour:** Floating - Stays at the desired depth.
- **Swimming depth:** Over 2.0 m - Reaches greater depths to reach the fish that are further down.

The **Illex Deep Diving Chubby 38F** is not only a must-have for any angler targeting deeper predators, but also a versatile hardbait for different fishing techniques. Its excellent workmanship and attractive design make it a reliable choice in any fishing situation.
