Discover the versatile Illex Tricoroll 63 SHW: a hardbait that attracts large trout and is also suitable for other predatory fish.

from 19,79 €* 19,79 €

Discover the Illex Tricoroll 63 SHW: The ultimate hardbait for Illex fans and passionate predator anglers!

The Illex Tricoroll 63 SHW is an outstanding lure for anglers who specialise in catching large trout in rivers. Its versatile features make it an indispensable companion for various adventures.

With its fast sinking action, the 63 SHW is ideal for use in pools and behind rocks where the water gets deeper. This allows it to develop its lure effect in a targeted manner and attract the attention of large trout. This versatility allows anglers to use the 63 SHW successfully for other species such as sea trout, asp, perch and bass.

These features make the Illex Tricoroll 63 SHW an indispensable tool for anglers in search of large trout and other predatory fish.
