Illex Riser Bait 008 lure 8cm 21.7g - The perfect surface bait for your fishing trips

The Illex Riser Bait 008 lure sets new standards in the world of surface baits. With a length of 8cm and a weight of 21.7g, this lure is ideal for long casts and is convincing in both fresh and salt water. Equipped with an innovative metal lip, the Illex Riser Bait offers a unique action just below or directly on the water surface and perfectly imitates a fleeing prey fish.

Features of the Illex Riser Bait 008 lure:

- **Easy to guide:** Cast out and crank in - the Riser Bait does the rest and surfs zig-zag style on the surface.
- **Quick emergence:** The sinking bait quickly returns to the surface where it remains extremely attractive.
- **Versatile:** Ideal for a wide variety of target fish such as asp, baby tarpon, bass, bonito, pike and perch.
- **Innovative metal lip:** Provides an action never seen before and significantly increases the chances of catching fish.

Why the Illex Riser Bait 008 lure?

This lure is not only known for its ease of use, but also for its effectiveness. Anglers worldwide rely on the Illex Riser Bait to maximise their catch rates. Whether you're fishing in fresh or salt water, this lure is your reliable companion. With its realistic swimming behaviour and the special metal lip that ensures exceptional

movement, the Illex Riser Bait 008 lure will significantly increase your chances of catching fish.

Make the Illex Riser Bait 008 lure your next purchase and experience the difference on your next fishing trip!
