Discover the Rapala Shadow Rap Jack Deep Lure.

Get ready to enhance your fishing enjoyment with the Rapala Shadow Rap Jack Deep Fishing Plug, an innovative lure designed specifically for the avid angler. The precision-tuned design philosophy allows you to maximize casting distance and maintain control over the lure's rapid descent.

Want a lure that mimics nature? The Shadow Rap Jack Deep does just that, perfectly mimicking the last twitches of a dying prey fish. Its slow rise speed during breaks and distinct left-right movements add another dimension to this jerkbait.

Features that stand out:

- Continuous wire construction: for added strength and durability.
- Fast Dive: Reach your target zone quickly and efficiently.
- Slow rise during breaks: imitate a dying prey fish and lure in the big catch.
- Stability and Fast Guide: This hardbait is both stable to run and fast to guide, perfect for all anglers.
- Versatile: Suitable for casting and trolling.
- Quality trebles from VMC: The Black Nickel trebles provide strong hooks.
- Hand Tuned and Pool Tested: So you can be sure that this artificial lure works optimally.

The Rapala Shadow Rap Jack Deep Hardbait is not just a Rapala Wobbler, it's a revolutionary Rapala hardbait that changes the fishing experience. Whether you are a seasoned pro or a beginner, the Rapala Jerkbait is ready to accompany you on your fishing trips.
