Rapala X-Light Minnow Wobbler 5cm - The king of ultra-light lures

The Rapala X-Light Minnow sets a new standard for modern ultra-light lures. Its improved weight distribution makes it possible to cast this miniature lure precisely even to distant spots. But that's just the beginning of the spectacle. As soon as the lure touches the water, the fun begins. With its slow sinking characteristic, the X-Light Minnow swims with a perfect kicking action, even with slow retrieves. This unrivalled movement makes it irresistible to perch, trout and other predatory fish.

Technical specifications:

- **Swimming depth:** 0,6 - 0,9m
- **Length:** 5cm
- **Weight:** 4g
- **Hook size:** #10

Features:

- **Minnow Action:** The natural movement of an injured prey fish makes it irresistible to predators.
- **Modern finish:** The high-quality finish gives the lure a realistic look that fools even the smartest fish
- **Excellent casting properties:** Thanks to its ingenious design, the X-Light Minnow can be cast precisely and far.
- **Holographic 3D eyes** The lifelike eyes give the lure an extra degree of authenticity.
- **VMC 4651 BN treble hook:** Equipped with sharp and reliable hooks to ensure that no bite is lost.

With the Rapala X-Light Minnow Wobbler 5cm you have found the ultimate lure for your next fishing adventure. Get your X-Light Minnow now and experience the fishing revolution!
