Swim it, hop it and ready yourself on the pause-and-drop, 'cause even the slightest movement on our Ninja Craw causes the claws to rise in a defense posture. That's really just it's way of waving hello to every bass in the vicinity. As delicious as it is deadly, this beauty's been given a good, long marinade in the legendary Donkey Sauce—much like every one of our soft plastic offerings.

- Ninja Tail Design
- Neutrally Buoyant
