Fox Rage Replicant Jointed soft bait 23cm 130g - The perfect soft bait for pike fishing

Take your fishing to a new level with the Fox Rage Replicant Jointed soft bait. This lure combines the original Replicant Shallow lure shape with a proven catching action that significantly increases your chances of catching fish.

Features

- **Design:** Original Replicant Shallow plug shape known for its effectiveness
- **Action:** Proven catching action for successful catch rates
- **Purpose:** Specially developed for pike fishing
- **Behaviour:** Sinking swimming behaviour, ideal for different depths
- **Size and weight:** 23 cm long and 130 g in weight, perfectly balanced for precise casting and a realistic movement pattern in the water

Why the Fox Rage Replicant Jointed?

The Fox Rage Replicant Jointed is not just a soft bait - it's a sophisticated tool that will make your fishing trips more successful. With its realistic swimming action and optimum balance, it magically attracts predators. The sinking swimming behaviour allows you to fish effectively at different depths.

Benefit from the quality and innovation of Fox Rage and equip yourself with the best soft bait for your next fishing trip. The Fox Rage Replicant Jointed soft bait is the ideal choice for any ambitious angler.
