

# Strike King Rage Lizard Softbait 15cm Green Pumpkin

Strike King

Product number: SK-RGLIZ6-46

Exceptional rubber bait for perch hunting.

Every appendage features Strike King®'s exclusive Rage Tail® design - thin on one side, thick on the other, to accentuate movement and vibration, forcing bass to react. As a result, Strike King's Rage Tail Lizard moves more water than its sleek, smooth body would warrant. More bites for you!
