

Illex Crazy Crusher Jr. Chatter bait 7g

Illex

Product number: IL-CCJR-7

Our Crazy Crusher Jr is the perfect lure for fishing shallow bays or round weedbeds and overhanging trees.

The head is made from an eco-friendly Tungsten composite and is preceded by a vibrating blade set at a 45° angle so it bounces over snags whilst giving off plenty of pulsating vibrations and adding more volume to the silicone skirt. Starts working the moment the lure hits the water and pulses on a simple straight retrieve. The team have added a clever appendage to keep the lure clear of snags. Designed particularly for perch and black bass anglers but will catch plenty of pike as well when they are focused on smaller fry. We recommend adding a MAGIC FINESSE SHAD 4 (with the tail cut off-top Team tip!) or a MAGIC Z SHAD 80 as a trailer bait to add more volume.
