

Jenzi Tail-Spinner Zinc Spin-Jig 4cm

Jenzi

Product number: JE-ZBS

Manufactured with Zinc, this Spin-Jig bait features many details that differentiates it from other available baits.

6,49 €* 6,49 €

Thanks to its eco-friendly zinc construction, the Jenzi Tail-Spinner Spin-Jig is an excellent choice for anglers who care about both the environment and the success of their fishing. With its appealing shape and realistic appearance, this lure is sure to pique the interest of your target fish.

With a length of 4cm and a weight of 16 grams, the Spin Jig is perfectly sized to tempt a variety of fish species including perch, salmon, zander, trout and pike. The attention to detail and design makes this lure look like a natural prey fish in the water, making it an irresistible treat for the above fish species.

The unique spinner blade on this tail spinner jig spinner creates sufficient turbulence and pressure in the water, making your lure even more attractive to predators. With different methods of fishing, such as classic cranking in, light jigging or fishing with short spin stops, the spin jig offers versatility, increasing your chances of a successful catch.

Main features:

- Environmentally friendly zinc material
- Variety of colour decors for a natural look
- Size: 4.0 cm
- Weight: 16.0 g
- Ideal for perch, salmon, zander, trout and pike
