## River2Sea Double Plopper 148 Buzzbait - The ultimate pike surface lure

The **River2Sea Double Plopper 148 Buzzbait** is the perfect bait for all anglers looking for an innovative and effective lure. Those who love the popular Whopper Plopper will love the new **Double Plopper** lieben! This unique **River2Sea Buzzbait** is equipped with two plopper propellers that produce an unrivalled sound and imitate a small school of prey fish.

### Features of the River2Sea Double Plopper 148 buzzbait

The **Double Plopper** can be reeled in at any speed - whether fast, slow or even with spinning stops. Thanks to its floating design, it does not sink and can be stopped at any time. Another advantage of this **Buzzbait** is its ability to run over weed, water lilies and submerged wood with virtually no hang-ups. Even in dense weed, where other baits fail, the **River2Sea Double Plopper Buzzbait** continues to provide deadly bites.

A special tip for larger target fish, such as pike: Bait the **Double Plopper** with a trailer such as the **River2Sea Mad Yabbie** for even better results.
