This uniquely shaped spoon from the 1990's has been brought back to life with fresh delicious finishes and the same proven fish-catching action. A Rapala proprietary design, the offset body of the Rapala Harmaja spoon creates an irregular swimming action with wide tail kicks and tons of flash. Its darting and rolling action on the drop guarantees attraction from the moment it hits the water and throughout the retrieve. Modern finishes combine updated traditional spoon colors and realistic HD baitfish patterns.
