Delphin Yogeen C2G folding camping chair - Enjoy comfort and style during outdoor activities

The Delphin Yogeen C2G folding chair is your perfect companion for relaxed fishing days. With its innovative design and robust construction, it offers you the comfort and stability you need to concentrate fully on your fishing experience.

- **Delphin chair with C2G camouflage pattern:** This Delphin folding chair is made of durable 600D fabric and printed with the patented C2G camouflage pattern, which makes your fishing equipment not only functional but also stylish. At first glance, it's a camouflage of three different shades of green. However, this changes when you take a closer look and discover the silhouette of the carp, the components of the carp rig and the Delphin brand logo with the C2G label. The unmistakable design immediately makes your fishing equipment unique and highly original.
- **Foldable and portable:** The camping chair is easy to fold and has compact transport dimensions, making it the ideal companion for travelling. Whether camping, fishing or other outdoor activities, this foldable camping chair is always ready for use.
- **Comfortable seating:** The thick and soft filling of the seat mat ensures unique seating comfort so that you can stay relaxed even on long days.
- **Robust and resilient:** Despite its light weight of just 5.5 kg, this camping chair is extremely stable and resilient. With a backrest height of 55 cm and a seat height of 35 cm, it offers you a comfortable sitting position to enjoy the great outdoors.
- **Practical transport solutions:** The Delphin Yogeen C2G folding chair has a removable Velcro fastener that holds the chair together securely, as well as handles on the sides and top for easy transport.
