

# Hearty Rise Spinning rod Valley Hunter

Hearty Rise

Product number: HR-VLYHR-S

Premium rod series for perch and zander fishing in a beautiful grey finish.

from 319,00 €\* 319,00 €

The Valley Hunter series is a beautiful and very fast rod series that contains spinning, baitcasting and even travel rods. It is particularly suitable for light jigging but also for drop-shot fishing. The asymmetrical division corresponds to the new Japanese trend and leads to a great action. The models can be charged more than specified.

An ideal rod for fishing for perch and zander.

The components are top! Fuji SIC guides and reel seats, the blanks use the new NET-V III technology.
