Illex Fit Minnow Wobbler - The perfect lure for ambitious anglers

The Illex Fit Minnow Wobbler is the ideal lure for all anglers who want to attract both freshwater and saltwater fish. This Illex wobbler impresses with its innovative design and **high stability**, which is maintained even during fast retrieves. The **seductive glitter effect** of the painted belly weight attracts sea predators from afar and ensures impressive catch results. Originally designed for Japanese perch anglers, the Illex Fit Minnow Wobbler has proven itself worldwide when fishing for sea bass and other target fish, both for bank and boat fishing. With a **continuous shaft** this lure is ideal for light tropical fishing for small mackerel, coarse fish and tarpon. It is ideal for hunting bonito, Spanish mackerel, small tuna, dolphinfish, bluefish and barracuda in the Mediterranean as well as asp in large rivers and strong currents
