NRS Chinook Fishing PFD Angler Flotation Device

Discover a new level of comfort and safety on the water with the NRS Chinook Fishing PFD angler buoyancy aid. As our best-selling flotation device, it has been designed and continually improved with valuable reviews from anglers worldwide. The NRS Chinook features a newly designed pocket system that makes your fishing safer and more efficient.

Premium quality and comfort

The NRS Chinook PFD, a medium sized fishing kayak vest, is certified to EN ISO 12402-5 for the highest level of safety. Thanks to the front zip, it can be put on quickly, while the six adjustment points guarantee a customised fit. The PlushFit™ foam padding and the high backrest ensure extreme comfort, whether you are sitting on a raft or kayak seat. For extra ventilation on hot days, the mesh fabric in the lower back area.

Practical features for the angler

Because of the two large clamshell pockets designed specifically for fishing boxes, the angler vest offers plenty of storage space. It has an updated interior layout based on feedback from anglers. Another external pocket on the right side gives you quick access to your gear. Furthermore, a fifth pocket with tool holder has been integrated to give you quick access to pliers, line cutters or other fishing utensils and closes securely with a Velcro fastener. Additional features such as the rod holder, strobe attachment, reflective accents and knife loop provide further features to make your fishing adventures more enjoyable and safer.
