The NRS Kuda Inflatable Sit-On-Top Kayaks make fishing remote waters easy. The Kuda 106 is the lightest, most maneuverable iSOT in the NRS Fishing line.

- Combines a high-pressure 15 cm drop-stitch deck that inflates to 8 PSI with 23 cm side tubes to create a super stable platform to sit, stand or move around as you cast
- Out-of-the-box rigging includes daisy chain attachment points along the bow and stern plus bungee rigging in the stern
- EVA foam deck pad protects the PVC from hooks and snags while providing superior grip when wet
- A fish measuring board is integrated into deck pad to conveniently measure a fish up to 61 cm
- Comfortable aluminum-frame suspended-mesh seat elevates anglers for optimal visibility and easier standing
- Five YakAttack accessory mounts are positioned throughout the board to customize your set-up
- Skeg plate accommodates interchangeable fins
- Includes (1) All-Water Fin, fishing seat, adjustable foot pegs, carry bag, pump and repair kit
- Application: Fishing
- Dimensions: 325 cm L x 97 cm W
- Weight: 12.2 kg
- Load Capacity: 125 kg
- Tube Diameter: 23 cm
- Bow Kick: 30 cm
- Stern Kick: 0 cm
