This version of the legendary Rapala Countdown® lure allows squid anglers to take advantage of the Countdown® fishing method when targeting Cephalopods. The gravity defying body of the Countdown® Squid sinks, at a foot per second, to your desired depth allowing you to repeatedly reach and retrieve without rising out of the strike zone. With this lure, you can find fish quickly and consistently throughout the water column, whether the squid are at the weed tops or holding bottom. The Countdown® Squid comes equipped with premium stainless steel prongs.

Features:

- Balsa construction
- Ideal for casting
- Custom swimming action
- Controlled depth sinking rate
- Premium stainless steel prongs
- Hand tuned & tank tested
