Illex Lillbill Lure Jerkbait 70F - Your key to successful fishing

Looking for the perfect lure to maximise your chances of catching fish? The Illex Lillbill Lure Jerkbait 70F is the answer. With its slim body and unique swimming action, this floating jerkbait minnow is a true masterpiece.

The generous lip of the Lillbill 70F creates an irregular movement that attracts even the pickiest predators. You can use this lip to take it to different depths: from 1 metre with an 3,6kg fluorocarbon leader to 1.20 metres with a 1,8kg fluorocarbon leader.

Whether you are exploring shallow rivers or deep lakes, the Lillbill 70F is your reliable companion. It is perfect for perch, zander, asp, chub, trout and black bass. Thanks to its magnetic weight shifting system, you can cast it far with ease and reach hard-to-reach places.

With a length of 7 cm and a weight of 4g, this lure is ideal for light and medium-heavy rods. Whether you are fishing from the bank or from a boat, the Lillbill 70F will not disappoint.

Features:

- Length: 7 cm
- Weight: 4g
- Swimming behaviour: Floating
- Swimming depth: 1,0 - 1,2 m

Experience the ultimate fishing adventure with the Illex Lillbill Jerkbait 70F and increase your chances of catching fish like never before.
