Jenzi Inline single hook - Efficient and versatile

The Jenzi Inline single hook in Black Nickel is the perfect choice for anglers who value precision and flexibility. This hook is particularly suitable for fishing with hardbaits, finesse lures as well as classic spoons and spinners. Its slim shape and the generously dimensioned, twisted eye ensure unchanged bait guidance, even after changing from a treble hook to a single hook.

Features:

- Available in different sizes: #6, #4, #2, #1, #1/0, #2/0
- 7 hooks per pack for all sizes except size #1/0 and #2/0. 5 hooks per pack are included for these two sizes

Optimise your fishing equipment with this reliable Jenzi product that will help you achieve more fishing success.
