Hearty Rise Baitcastrute Laiquendi Forellenrute 662UL 1,98m 0,7-7g - Perfekte Wahl für Ultralight-Fishing

Discover the Hearty Rise Laiquendi 662UL baitcasting rod - your ideal fishing rod for trout and other predatory fish!

The Hearty Rise Laiquendi 662UL offers a first-class fishing experience with its length of 1.98 m and an ultra-light casting weight of 0.7 to 7.0 g. Thanks to the highly developed NET-V III carbon blank and the exclusive Fuji Alconite ring set, you will experience maximum sensitivity, the best transmission and phenomenal casting distances. Even the most timid bites from trout and perch will not escape you.

This rod is ideal for use both from the bank and from a boat and is ideal for various soft and hard baits in the UL range. The high-quality components and the customised rod action make it ideal for trout fishing on streams and ponds.

Features:

- **Length:** 1,98 m
- **Casting weight:** 0,7 to 7,0 g
- **Material:** NET-V III Carbon Blank
- **Guides:** Fuji Alconite ring set
- **Design:** Pleasant green colour with subtle, golden applications in the hand part
- **Handle:** Ergonomically moulded EVA handle in black

The Hearty Rise Laiquendi 662UL not only impresses with its functionality, but also with its modern and impressive design. The NET-V III carbon blank and the ergonomic EVA handle offer optimum grip and support during the fight.

Experience ultralight fishing in a new way - with the Hearty Rise Laiquendi 662UL!
